

Changing Contract Managers

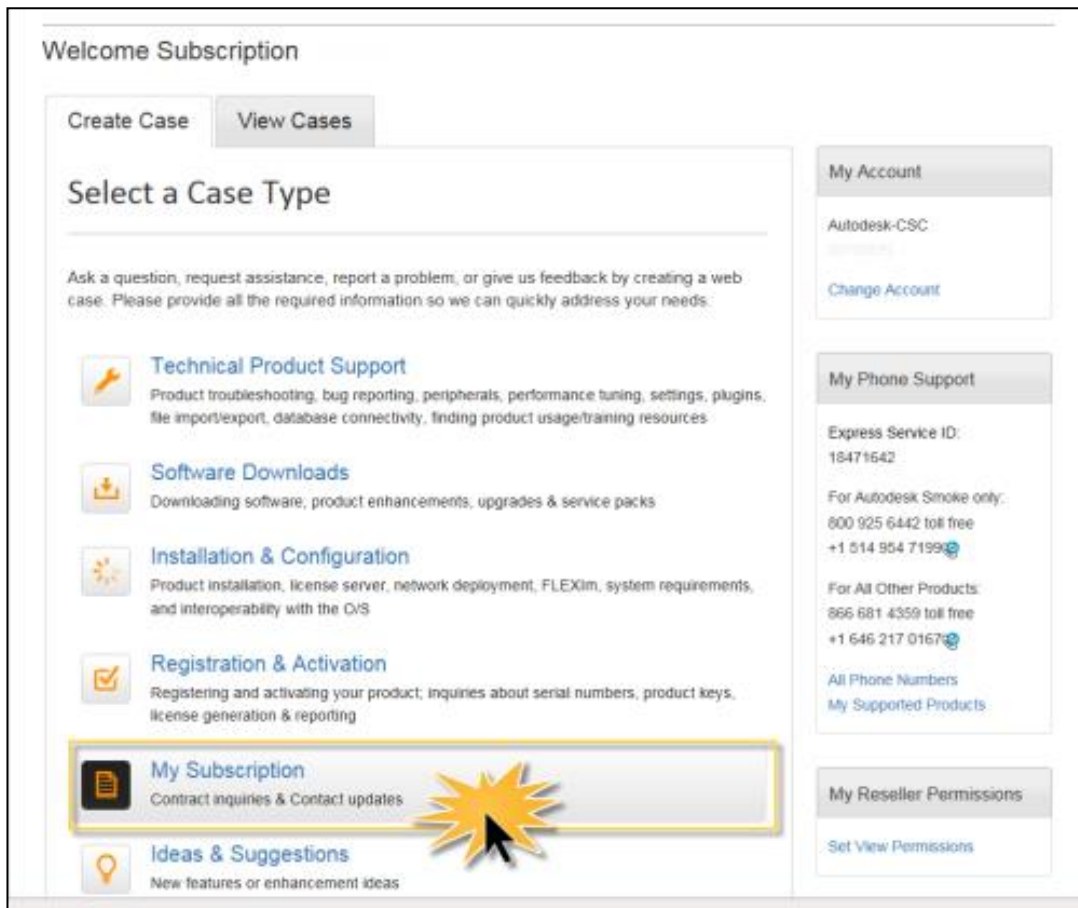

The former or new Contract Manager can submit a web support case to update the Contract Manager listed on subscription contracts.

1. Sign into your Autodesk Account at accounts.autodesk.com
2. Select **Management** to view your Products & Services.
3. Hover over **Support** on the menu at the top and select "View my support cases" from the menu options.

Note: This option only appears for current subscription customers.

4. Select **My Subscription** from the Select a Case Type options.

5. Select "I want to change the **Contract Manager**" from the Category options.
6. Enter the requested information and click the **Submit** button.

An Autodesk support specialist will contact you to confirm the change.
